

Tractor Crash Driver Charged

Mrs. Jeanette Guenette, 41, of Schaffer was ticketed by State Police for reckless driving and defective brakes after her car struck a tractor driven by Richard Potvin, 47, of Rte. 2, Bark River on Delta County Road 535 a mile north of County Road B-14 at 8:50 p. m. Thursday.

Mrs. Guenette's car struck the rear of the tractor, which was equipped with a plow and which was being driven north on 535 by Potvin on the shoulder of the road with only one wheel track on the edge of the pavement, according to State Police report. The tractor was lighted front and rear.

Mrs. Guenette told officers that she became confused and thought that a car was approaching her. She drove off the pavement to strike the tractor, which went 90 feet after impact while the car went 105 feet.

Potvin was thrown over the back of the car by the crash and was treated by a physician for bruises.

Mrs. Guenette said she was driving about 35 mph.

Jr. Achievers Receive Awards

The sixth annual Future Unlimited banquet program of Escanaba Junior Achievement was held last evening at Mar-co's, when awards were presented to Junior Achievers on the basis of outstanding records of service to their companies.

Judy Bourke was toastmaster, and the speaker was Robert C. Kline, attorney and partner in the law firm of Coates & Kline, Sault Ste. Marie. He is also a director of the Edison Sault Electric Co.

Board members of Escanaba Junior Achievement were introduced by George S. Douglas, president. The advisors were presented by Marsha Fraddo, John Butler and Sharon Curran.

John Anthony was chairman of the awards committee and the recipients of recognition were:

Judy Bourke, Bruce Beck, John Butler, Richard Burak and John Vandeville, perfect attendance.

Marsha Fraddo, salesman of the year, based on presentations made to the Toastmasters Club. Outstanding achievers of each company as selected by the advisors: Pro-Co, Marsha Fraddo; Gio-Co, Lee Steinmetz; Tearco, Sue Eleger.

Top sales awards were presented to Tom Thorin, Dennis Nelson, Allen Chernick, Patti McInerney, Marsha Fraddo and Linda Sundell.

Tearco was recognized as the Company of the Year. Its advisors are Robert Snow, John Stoll and Larry Gauffin.

Charles Londo and Mike Nelson were announced as the delegates to attend the Junior Achievement Conference to be held in Bloomington, Ind., Aug. 24-29. The runners-up are John Vandeville, Bruce Beck, Raymond Cousineau and David Prinski.

Escanaba JA President Douglas presented citations to the advisors and their wives. The advisors of JA to the companies are:

Dwayne Burak, John Greis, Fred Fisher, Clarence Zeno, John Berish, William Thomas, Henry Vietzke, Larry Gauffin, Robert Snow and John Stoll. Officers of Junior Achievement are Douglas, president;

Erling Arntzen, vice president; Don Trotter, secretary; E. L. Moersch, treasurer; D. H. Lord, executive director.

Men Invited Into Reserve

An intensive recruiting campaign designed to enlist men in the 312th Engineer Company (Supply Point) 718 Ludington St., local Army Reserve Unit, was announced today by Capt. Robert A. Carr, unit commander.

The 312th Engineer Company has openings in the fields of supply, heavy vehicle drivers, light vehicle drivers, warehouse specialist, and heavy equipment maintenance.

Men recruited will enter the reserve under the newly opened program wherein qualified men, between the ages of 17 and 25, are offered the opportunity to fulfill their military obligation by enlisting in the Army Reserve for a period of six years.

Each man will be interviewed concerning his desire to be assigned to a specific opening in the unit. He will then be given tests to determine his aptitude to learn the skills required to fill the vacancy.

After passing these tests the enlistee will go on active duty training for a pre-determined period of time, with a minimum of four months, to complete basic training and receive specialized training for the specific job for which he enlists. Each man will know, in advance of enlisting, exactly the job he will do in the Reserve and the length of active duty time required to learn the job.

In discussing the Army Reserve program, Capt. Carr pointed out several distinct advantages for a young man. First, he is able to complete his military obligation in or near his home, allowing him to pursue his civilian occupation or education without serious interruption. Suddenly, he will enlist and be trained in the job vacancy of his choice which may open new fields of civilian employment for him. In addition, the reservist earns extra income while serving with friends from his own community.

Young men interested in the program should contact Sgt. Ronald L. Groleau at the U. S. Army Reserve Center, 718 Ludington St., Escanaba, or call him at ST 6-5423 for detailed information.

Music Festival Is Held Today

Four hundred and twenty-six students today are in Escanaba for the Music Festival of the Escanaba Deanery Schools from Manistique, Gladstone and Escanaba, with St. Anne's School the Festival host.

Participating are students from six schools — All Saints Catholic School of Gladstone, St. Francis de Sales, Manistique, and St. Thomas, St. Patrick's, St. Joseph's and St. Anne's of Escanaba.

The welcome was given this morning by Father Stephen Mayrand who also celebrated the High Mass. The choir was directed by Father Otto Sartorelli, diocesan director of music, with Sister M. Bennett, O.S.F., as organist.

The Nomads of Holy Name High School were the guest singers and players.

Lunch was served in the St. Anne's hall and the afternoon program was in Holy Name High School.

Sportsman's Club Will Sponsor Rifle Range

HERMANVILLE — The Hermansville Sportsman's Club meeting at Rodman's dining room Tuesday evening, made the development of a rifle range as its main project this summer. The club can lease land for a shooting range with liability insurance and details to be worked out.

Other developments at the meeting: A fishing report on Hermansville Lake which shows the largest northern pike caught this season, a 12 pounder by Joe Sicore. The knotty parking problem at the lake still continues.

Two members of the club, Lloyd Paquin and Joe Nowack have shotgun and rifle reloaders. The club may purchase reloaders for use by members at the rifle range.

Richard Whitens and Eddy Arnold go to Canada on a fishing trip this weekend.

Conservation officer Gerald Welling gave a report on trout plantings the past week.

Members saw two excellent films, the 1962 Green Bay Packers, courtesy of the Miller Brewing Co., and Michigan Fishing, through Welling.

The club meets the second Tuesday of every month, and meet again on July 9 at Rodman's.

Variable Quota

MADISON, Wis.—Wisconsin sportsmen have endorsed an expanded variable quota deer management plan and a nine-day buck season next fall Nov. 21-29, according to a tabulation from county fish and game meetings held in April.

Variable quota deer hunting was backed by 50 counties with 40 favoring a recommended 100 per cent harvest of antlerless deer in all units.

Concentration Of Cedar Urged To Create Mart

GULLIVER — The possibilities of a concentration yard for wood as a stimulant to marketing in this area, starting with cedar, were discussed here Thursday night at a meeting of wood producers with Michigan State University marketing specialists.

The possibility of a treating plant in connection with a concentration yard was also discussed. Such an installation would make possible the sale of wood treated to resist rot in the ground.

The Upper Peninsula's wood products face increasing competition from Southern areas offering treated woods in the markets.

Henry Huber, MSU forest products specialist, reported to the producers that he is making a study on red pine to determine if it can be processed to compete with Southern yellow pine for the posts and poles trade.

The study is in three phases: to determine where markets are available, the supply and its source, and whether the strength of red pine is comparable to Southern yellow pine.

MSU plans campus snap tests of red pine poles next month.

The Upper Peninsula has a lot of red pine coming into pole size and markets are being sought for it. Pole markets would pay a premium over pulping for red pine, which has been the chief market for small pine from the Peninsula's maturing plantations.

The plantations will be thinned to create sawlog forests and the trees removed will go to pulping unless the better ones can be marketed as poles or other stock. Some sawing of small poles has been done by stud mills.

Lawrence Ewing, marketing specialist of the Michigan Farm

Bureau, said it would explore its markets for outlets for Upper Peninsula forest products, not only in Michigan, but in neighboring states.

Pulp wood marketing, discussed at an earlier Gulliver meeting, was mentioned only in terms of possible economies in transportation by pooling cars. Wesley Perron of the Soo Line participated in the discussion. Prime need of the area, with its increasing wood production, is more mills and markets, it was agreed.

The Gulliver area in Schoolcraft County is a big cedar production area which regards itself as somewhat distant from cedar markets in Escanaba and Alpena. One of its hedges in this situation could be a concentration yard and larger unit movements of wood for transportation economies.

Perron urged that the study committee visit a concentration yard at Newberry to observe its working. Huber said he would supply cost estimates for a treatment plant.

Pair In Court At Manistique

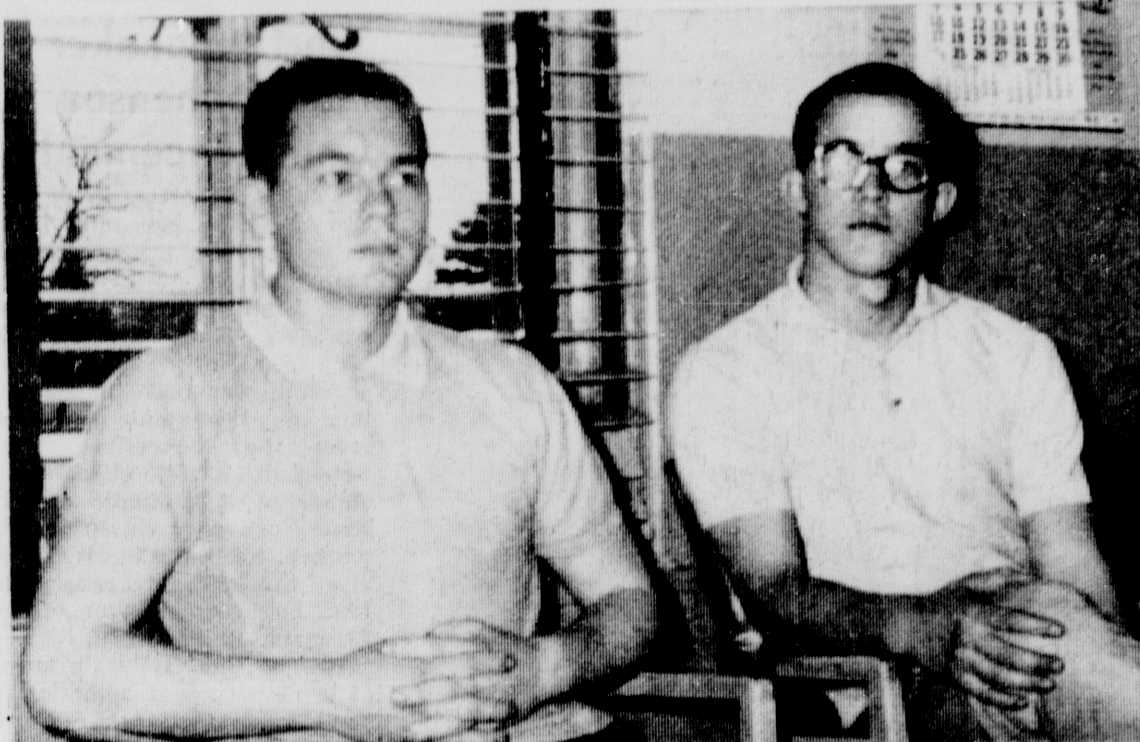

MANISTIQUE — Preliminary examination on charges of robbery while armed were waived in Manistique justice court this morning by Clarence Albert Hill, 20, of Lexington, Ky., and John Allen Hanna, 23, of Hobart, Ind.

The men are charged with robbing Vaughan's Grocery, 318 Deer St., about 9 p. m. Wednesday of \$203. The charge notes that Hill was armed with a .22 revolver while Hanna waited in the car.

When asked this morning if they wanted an attorney, Hill said he wanted one to explain judicial language. When the court officer explained that there would be no trial this morning Hill said they both realized they were guilty and that "the sooner we get this over with the better."

They are under \$10,000 bail bond each, which they said they could not furnish.

K. I. Sawyer Air Force Base officials have been advised of their apprehension. The men were stationed at the base.

CLARENCE ALBERT HILL, 20, of Lexington, Ky., right, with glasses, and John Allen Hanna, 23, of Hobart, Ind., are pictured in the Schoolcraft County jail at Manistique Thursday after their capture by Manistique Police Officer Joseph McDonough 10 minutes after they had robbed the Vaughan Grocery in Manistique of \$203. C. J. McCauley Of Wells Dies

Charles J. McCauley, 85, 29 Main St., Wells, senior member of a prominently known Escanaba area family, died at 9:25 p. m. Thursday at St. Francis Hospital. He had been admitted earlier in the day after suffering a heart attack.

Mr. McCauley was born in Minonk, Ill., Oct. 7, 1898, and came to Escanaba at an early age. He was graduated from St. Joseph High School with the class of 1895, and attended Green Bay-Wisconsin Business College.

He entered the employ of the I. Stephenson Co. of Wells, with which he was actively associated for many years, in 1900. He became cashier and office manager and later was elected secretary and treasurer of the I. Stephenson Co. of Milwaukee and secretary and treasurer of the Ludington, Wells and Van Schaick Co. of Menominee.

He served as Postmaster of Wells and as a member of the Township Board many years, and also was treasurer of the U. P. Development Bureau. He was an honorary life member of Escanaba Council 640, Knights of Columbus.

His wife, the former Eva Farrell, whom he married in Escanaba, died Dec. 11, 1963. Surviving are one daughter, Mrs. Louis A. Hoyer, Escanaba, two grandchildren, Charles L. Hoyer of Seattle, Wash., and Mrs. Milton Ross of Narberth, Pa., three great grandchildren, Michael, Mark and Martha Ross, and one brother, John, Milwaukee.

Friends may call at the Boyce Funeral Home from 7 to 9:30 p. m. today. The Knights of Columbus and parish combined rosary will be recited at 7:30. Services will be held at 9 a. m. Saturday at St. Anthony's Church with Father Norbert Freiburger officiating. Burial will be in Holy Cross Cemetery.

Dickson Lecture Open To Public

Dr. David W. Dickson, Northern Michigan University, will discuss "The Bible as Literature" at Bay de Noc Community College Monday evening, May 18, a feature on the college lecture series and open to the public at no admission charge.

Dr. Dickson has prepared a fascinating commentary relating to English literature as a result of his extensive experiences. He was appointed chairman of the English department at Northern Michigan University in September, 1963. Prior to accepting his present position, he was an associate professor of English at Michigan State University.

An outstanding teacher and Phi Beta Kappa scholar, Dr. Dickson received MSU's first distinguished teaching award in 1952. He taught at Michigan State for 15 years.

A native of Portland, Maine, Dr. Dickson received his bachelor's degree, summa cum laude, from Bowdoin College. He earned his master's and doctor's degrees at Harvard University. He joined the Michigan State faculty in 1948 after serving as a teaching fellow at Harvard in 1947-48. At Michigan State he was chairman of the honors committee, college of arts and science, 1959-61.

He was president of the Lansing Family Service Agency, 1961-62, and Senior Warden of All Saints Episcopal Church.

Illness Fatal To H. L. Kane

MANISTIQUE — Howard Leroy Kane, 42, of Rte. 1, died at 1 a. m. today at Schoolcraft Memorial Hospital. He had been a patient two days.

Kane was born in Manistique and lived here all his life. He attended public schools and married Madeline Wayne in 1954 in Manistique. He served in the South Pacific in War II with a tank battalion. He was in the army four years. He was a member of VFW Post #20 and had been employed as a fire tower lookout man with the U. S. Forest Service, and more recently as a woodsman.

Surviving are his wife, four daughters at home, Carol, Tammy, Penny and Kay; four brothers, Charles, Earl and Kenneth of Manistique and Frank of Cooks; a sister, Mrs. Rudolph (Mildred) Rodman of Manistique.

Services will be conducted at the Messier-Broulliere Funeral Home Monday at 2 p. m. with the Rev. William Farnham officiating. Friends may call beginning at 4 p. m. Sunday. Members of military organizations will meet at the funeral home for memorial services Sunday at 9 p. m.

Vegetable Plot Studies Start

Direct seedings of cauliflower, broccoli, Brussels sprouts and carrots have been made this week at the Clarence Dittich farm at Hyde, the Marcella Brothers farm in Cornell and the Jerry VanDamme farm at St. Nicholas.

A second seeding will go on June 2 to make comparisons of growth from date of seedings to harvest.

In addition to the direct seedings, transplants are being set out every week starting May 7 and continuing to July 1, said Joseph L. Heirman, Delta County director of Michigan State University Extension services.

The plantings are being made in a continuing study for Green Giant Canning Co. of LaSalle, Minn. One small scale planting experiment was made for Green

Giant on the Dittich farm in 1963.

The experiments are an effort to enlarge the canning crop industry in this area.

The transplants are being developed here in the Wickert greenhouse, which is cooperating in the experiment.

Tornado Relief Reaches \$63,832

MOUNT CLEMENS (AP) — Chesterfield Township's projected \$250,000 tornado relief fund has risen to \$63,832, trustees reported today. Mailed donations Thursday, mostly in \$5 and \$10 amounts, totaled \$23,184. Donations are sent to "Tornado Fund, P.O. Box 330, Mount Clemens."

Curtis Walleye Hatch Is Good

CURTIS — All roe from the new walleye hatchery project here have now been transplanted and estimates are an 80 per cent hatch was obtained.

With local funds raised in a drive, a hatchery was constructed and 10 jars were planted in each of the two Manistique Lakes, South and Big Manistique and two additional jars were planted in each Tuesday.

The Conservation Department assisted local promoters of the project. Eggs were stripped from walleyes as they came to spawn. The roe were kept about three weeks in jars over which water from Portage Creek was kept constantly flowing.

Improving Our Fishing

Menominee County sports fishermen are bugging the Conservation Department to improve the fishing in the Big Cedar River. The stream rises in old beaver meadows near the south line of Marquette County and flows down through Menominee County to debouch into Green Bay at the village of Cedar River.

In the last century and early in the present century it was the scene of many log drives and some of the timbering from the old dams that impounded the flood waters to flush the logs down the stream and its tributaries, especially Devil's Creek, still are to be seen on its upper reaches.

Most of the evidence of the old use of the stream is gone however, and fishermen are complaining that so are most of the fish. This kind of general gripe doesn't usually stand much inspection, but it is probably true that the river doesn't provide as much fishing as it used to, or as it could today under a program of stream improvement and management.

Menominee County, which has been dealt rather poorly by Mother Nature in passing out her resources, tries to make the most of what it has in outdoor sports and it wishes that the Conservation Department would do something to make the Big Cedar the Big Fish. Sportsmen read in their sports magazines what Southern states are doing to make fishing waters of unlikely impoundments, rills and ponds and wonder why more isn't done with a stream like the Big Cedar?

They started to have a scalping party and invited fisheries experts from the state and federal governments to a meeting at Stephenson recently but it resulted in the formation of a new Friendship Club. The scientists were impressed with the efforts of the local sportsmen to force a better state stewardship of its waters, and the sportsmen were impressed that they were dealing with able public officials who needed more public support to get their work done properly.

First off the sportsmen were convinced that the lamprey weir near the mouth of the Big Cedar hadn't been responsible for the poor fishing in the stream. The weir construction coincided with decline of fishing more than it caused it.

Clifford Long, Escanaba district fish biologist of the Conservation Department, went to the Stephenson meeting to represent the Department because Florin Warren of Crystal Falls, the fish biologist for that district, has retired. In the Baraga District there's a similar situation with no fish biologist.

The Menominee County demand for more stream improvement will probably result in action eventually. Already it has served a good purpose in pointing out to the public that stream improvement by the Conservation Department in the Upper Peninsula is limping because there are not enough fisheries men on duty here to start the planning work which is the first stage of stream improvement.

In winter Long had conservation officers making stream improvement maps from forest photos of the Fishdam, Anna, Sturgeon and Big Indian rivers. This is the first step in a stream improvement program, which next determines the flow characteristics, bottom conditions, biological status, etc., to spell out the problems and the stream's potential to support fish life.

The people of the Upper Peninsula can have from their public waters the kind of fishing which they demand and which can be provided with our state of biological knowledge. In the case of the Big Cedar and some other waters stream improvement work has not even gone to a determination of cost, which is a major problem of such works.

The development of parks in Michigan is being accelerated by the state park use fees, which are retiring \$10 million in bonds spent for park acquisition and betterment. But there's no such accelerated program to improve fishing. The best bet for enlargement of stream improvement in the Upper Peninsula is the federal Accelerated Public Works Program.

This provides federal funds to match state funds for public improvements. But this sort of aid is useless until there is enough Conservation Department staffing in the U.P. to do the initial planning of improvements.

The Rebel Yell from Menominee County is good music. Let it echo from the St. Mary's to the Montreal.

Strike At Budd State Briefs Affects Ford

DETROIT (AP)—Ford Motor Co. joined Chrysler Corp. Thursday in reducing production schedules because of a parts shortage triggered by a strike at the Budd Co. here.

Chrysler laid off 2,800 workers at its Dodge truck plant in suburban Warren. It said it might have to idle some 10,000 Dodge truck and car production employees by Monday.

Ford cut production to four hours on both the day and night shifts at its nearby Wixom assembly plant. Ford said the day shift would work only four hours today.

"Work schedules beyond Friday's first shift operation have not been determined," a Ford spokesman said.

The Wixom plant, employing 4,000 hourly rated workers, makes Lincoln Continental and Thunderbird cars.

Chrysler said if the Budd strike continues, the automobile assembly plant in Hamtramck—where 7,500 employed—would be closed at the end of Monday's day shift.

A spokesman for General Motors Corp. said the firm anticipates no shutdowns "unless it (the strike) spreads to other Budd plants." American Motors Corp. said it would not be affected by the strike.

Budd makes metal stampings, wheels, hubs, brake drums and other auto components. It was struck Wednesday by Local 306 of the United Auto Workers.

Some 3,700 workers joined the walkout which Local 306 officials said resulted from a pileup of grievances.

FLINT (AP)—Earl J. Sheldon, 60, of Fenton, died at a Flint hospital Thursday of injuries suffered Tuesday when his car ran off Grand Blanc Road and hit a tree outside Flint.

MONROE (AP)—Some 80,000 Monroe County residents are expected to receive vaccine-coated sugar cubes Sunday in a mass polio-immunization program. Two other county-wide clinics are to be held later.

WASHINGTON (AP)—Elmer H. Boughner, 60, a resident of this Macomb County town, was killed Thursday when his car missed a curve on a road in nearby Avon Township and struck a fire hydrant.

LANSING (AP)—The Michigan acreage for harvest of asparagus, cabbage and strawberries is estimated at 11,000 acres this year, the same as last year and 60 acres above average. Fewer plantings of strawberries will be offset by gains in asparagus and cabbage planting, the Federal-State Crop Reporting Service said.

The Rug Peddler

Washington Comment

By BRUCE BLOSSAT
WASHINGTON — (NEA) — By a substantial margin, editors across the United States believe general foreign policy is the principal issue in the 1964 presidential campaign.

Of the more than 300 editors who responded to NEA's spring survey of its hundreds of newspaper clients, 248 or 82.4 per cent say foreign policy in the broad is the big thing. Others replies reveal that many editors also fasten on various specific aspects of foreign affairs.

Altogether the editors settle on 17 issues as of some importance in this election year.

Second hottest issue is civil rights, which 197 editors—65.4 per cent of the total responding—single out. Government spending rates next as a likely bone of campaign contention, with 182 editors or 60.5 per cent putting it down.

Thereafter come three more specific foreign policy matters: Cuba, mentioned by 155 editors (51.5 per cent); foreign aid, by 110 editors (36.5 per cent) and Viet Nam, by 97 editors, just under one-third of the replying group.

Some Republican political figures keep saying Viet Nam where surprise presidential contender Henry Cabot Lodge serves as U. S. ambassador, could be the biggest issue of 1964. Many editors seem to have doubts.

Since midwestern editors bulk large in the responding survey sample, it is not unexpected that 87 responses, or 29 per cent, stress farm policy on the issue list.

After these seven leading items, the percentages drop off considerably. Eighteen per cent of responding editors mention Medicare as an issue, 15.6 per cent rate national defense, a flat 15 per cent set down inflation. Figures ranging down to 10

per cent of the answering editors are recorded for anticommunism (44 editors); automation and unemployment (40 editors); New York Gov. Nelson Rockefeller's divorce and remarriage (38); foreign trade pacts (31), Panama (30).

Labor policy is an additional topic which draws a fair show of interest, with 24 editors (8 per cent) listing it.

The last measurable entry is Social Security, noted by just four of the more than 300 responding editors. Arizona's Sen. Barry Goldwater's statements on Social Security evidently have made it a matter of some concern to numbers of voters in the March New Hampshire primary—and possibly elsewhere. Most editors clearly do not regard it seriously.

There were no expensive comments from editors on the foreign policy issue most considered so important in 1964. Civil rights, the No. 2 item, is another story.

Says William B. Curry, editor of the Record Herald of Waynesboro, Pa.: "Civil rights, in my opinion, is emerging as an important imponderable in the upcoming elections—both North and South. I feel that the party in power will suffer."

J. Kenneth Hogue, publisher of the Dalhart Texan, sees it somewhat differently: "President Johnson has been taking the heat out of civil rights, or rather the emotionalism at the political level."

Hogue suggests Johnson further may have dulled the "big spending" issue for the Republicans. And Clyde Walhall of the Grand Island (Nebraska) Daily Independent, noting that Johnson can take credit for cutting taxes just a few months after taking office, asks: "Has any other president ever carried such credentials into a general election?"

The Doctor Says:

Several Approaches Used

By Dr. Wayne G. Brandstadt.

Q—I have had a portion of my bowel removed because of Crohn's disease. Is there any chance that the disease will come back? Is it a form of cancer?

A—Crohn's disease or regional ileitis is an inflammation of the small intestine (ileum). The cause is not known. It is not a form of cancer.

It often involves several short portions of the ileum with normal bowel in between. The victim has cramping pains in the abdomen often aggravated by eating, loose stools and loss of appetite.

About one third of the victims recover spontaneously from an acute attack. In the rest, the disease becomes chronic and extends to involve an ever greater portion of the intestine.

The treatment is not very satisfactory and several approaches must be used. A bland diet with antispasmodic drugs and enough food to prevent loss of weight is important. In some victims psychiatric care is necessary to remove emotional factors that may be aggravating the disease. Antibiotics may be needed for the acute attack.

Removal of the involved segment has been widely used, but because recurrences have been so common surgeons are now advocating an opening of the healthy bowel through the abdominal wall (ileostomy) to give the diseased portion a rest.

Q—I am 30 years old and have been taking Enovid for several months. Are there any harmful results from taking this drug?

A—Although too large a dosage may cause such side effects as headache and nausea, when taken in the prescribed amount this drug can be safely taken for prolonged periods.

Q—What is Decagastic and what is it given for?

A—This is a combination of dexamethasone, one of the cortisone group of drugs, with aspirin and aluminum hydroxide. It is especially recommended for rheumatoid and other types of arthritis, bursitis and other diseases of the joints. As with all drugs containing cortisone or related hormones, it should not be taken over a prolonged period.

Q—I have been taking Dexedrine for several years to help me reduce. Will it cause any bad side effects?

A—Dexedrine is a brand of dextroamphetamine. It is commonly used as a nervous system stimulant and appetite depressant. Large doses may cause insomnia, nausea or fainting. It should not be used continuously because it is habit-forming.

Newspaper want ads are a big sell! Eight hundred million was spent on classified ads last year—more than for all television spot announcements or radio advertising.

Memory Lane

By J. R. LOWELL

Ten Years Ago

Since the Gladstone Yacht Club announced a few days ago that it had purchased a pram to attract young people to learn the art of sailing, so many applications have been filed that it is now proposed that a junior yacht club be formed in that city.

Twenty-seven Pine Ridge School students accompanied by their teacher, Mrs. Cleve Moore and five mothers of students, took the train this morning for Green Bay where they will inspect industries and see the sights of a big town. For many young passengers it was their first train ride.

Nick Parente, 52, proprietor of the Three Mile Cafe in Thompson Township and widely known in the Manistique resort area, died today at Manistique.

Twenty Years Ago

John B. Guckey of Bark River has been elected King Lion of the Bark River Lions Club. Don Dissinger, shop instructor at Manistique High School, has been accepted into the naval reserve and will be commissioned a lieutenant (j.g.) at Milwaukee.

One hour parking will go into effect on Manistique business streets the first of the week. Police officers will make regular trips along the streets and chalk mark the tires. This is aimed at discouraging residents who park their cars down town all day long.

Thirty Years Ago

About 500 tons of crushed rock was dredged up from the Kipling harbor today and deposited on the Kipling wharf to provide a dock at that site. The rock had been dumped there in the first place by the Carrier Calcite which had gone aground at that point and had to unload to work free again.

"The Old Lady Shows Her Medals" is the name of a quaint play written by J. M. Barrie and presented by the Manistique Women's Club. In the cast are Mrs. Paul Gero, Mrs. F. W. McNamara, Mrs. Lee Stewart, Mrs. Stanley Clausen, Mrs. Mauritz Carlson and Mrs. V. F. Lang. The play is under the direction of Mrs. Lang.

Mrs. C. S. Norton of Gladstone was elected regent of Lewis Cass Chapter, Daughters of the American Revolution, at a recent meeting held at the home of Mrs. George C. Craver.

Stephenson

Parents Meeting

Stephenson High School authorities announced that a meeting is being scheduled for all parents of high school juniors Thursday, May 21, at 8 p.m. The meeting will be held in the Biology room of the high school. This meeting will provide an opportunity for parents to discuss class schedules for next year, possible training beyond high school in 4 year colleges and trade and technical schools. Information on Military Service and employment bound youth will also be given.

Mrs. James Popour and sons, Cary and Troy, of Sault Ste. Marie, are visiting at the Fred Popour home, and also with her father, Peter Newhouse, who is a resident at the Bishop Noa Home at Escanaba.

Recent guests of the Owen Petersons were the Rev. and Mrs. Magnuson and family of Marquette and Mr. and Mrs. Stanley Peterson of Kingsford.

Worth Speaker At Stephenson Commencement

STEPHENSON—Jean Worth, editor of the Escanaba Daily Press, will be the commencement speaker at the Stephenson High School graduation exercises Thursday evening, May 28, at 8.

Worth was born in Menominee in 1904 and graduated from the Menominee High School in 1922. He attended the Academy of Dramatic Arts in New York City in 1925 then worked for the Detroit Times and the Herald-Leader. In 1955 he became editor of the Escanaba Daily Press.

He has been active in economic development activities in the Upper Peninsula. He is a hobbyist, historian and his other hobbies include painting and tree farming. He has one of the first tree farms in Michigan located on the Big Cedar River in Cedarville Township, Menominee County.

Worth is married to the former Margaret St. Peter of Menominee. They have three daughters. Dooley is in New York City. Jean, a registered nurse, is at the Passavant Hospital in Chicago and Ann, a senior in Holy Name High School, Escanaba.

Funds Pour In For Anchor Bay Tornado Victims

MOUNT CLEMENS (AP)—Some 2,000 contributions ranging from 50 cents to \$5,000 have poured in to help Anchor Bay area residents rebuild after Friday's tornado.

With half of them counted, the total came to \$35,000, not including a \$10,000 gift previously announced by Detroit Edison Co.

Gov. George W. Romney has set a goal of \$250,000 for the tornado fund. Total tornado damage was estimated at \$8 million.

The largest gift opened Wednesday was \$5,000 from the Roman Catholic Archdiocese of Detroit. Smallest was 50 cents in pennies and nickels from John Savage, 7, and his sister, Ann, 4, of Royal Oak.

Form Summer Club At Cornell

CORNELL — Cornell Tots and Teens 4-H Club organized for the summer Monday evening. Members choose canning, freezing, foods, gardening, flowers, photography, dairy and potato projects. Officers are:

Danny Schire, president, Danny Norman, vice president, Helen Knaus, secretary, Joyce Jungles, treasurer, Mary Thompson, song leader, Betty Thompson, news reporter. All girls enrolled in foods will meet Monday evening, May 18, at the Robert Thompson home. The next regular meeting will be the last Monday in June.

Name Harden To Advisory Council

WASHINGTON, D. C.—The small business administration Wednesday appointed Edgar L. Harden, president of Northern Michigan university, to a committee, to its national advisory council.

Harden, an advisor to the educational policies commission of the National Education association, is a director of the Union National bank and the Michigan State Chamber of Commerce.

The advisory council assists the agency in evaluating and improving existing small business programs. Members serve without compensation.

Ann Landers

Forced Marriage Gets Her Veto

Dear Ann Landers: Should an unmarried high school girl bear all the burdens of having a baby alone when she knows who the father is?

Should she have to suffer the shame and disgrace of having a child out of wedlock while the boy who talked her into it goes his merry way?

Should she have to go to the hospital by herself, or be driven by her father, or a neighbor, while the dirty rat who got her that way is out having a good time with his high school pals?

I understand there is no law to force a marriage. Well, why in heaven's name isn't there? If you want to help ease the agony in the world why don't you wage an all-out campaign to pass a federal law which would force marriage between young people when a pregnancy is involved?

— CHAMPION OF JUSTICE

Dear Champ: Thank you for your suggestion, but I already have a campaign. It's the same one I've been pushing for almost nine years. The battle-cry goes like this:

It's up to the girl to call the signals and hold that line. Why? Girls get pregnant, boys don't.

I can think of few proposals worse than a law which would force a marriage. Too many marriages between willing partners are hitting the skids these days. What chance do you think a forced marriage would have?

Dear Ann Landers: Last night I told Elmer the next time he walks through the front door with two or three unexpected dinner guests, I am walking right out the back door. Of course I wouldn't do it, Ann, but I am at the end of my rope.

Last week he brought home unexpected company twice and I was embarrassed to death. The kids had to eat baloney sandwiches out in the kitchen so the guests couldn't see that there wasn't enough meat to go around. The men Elmer brings are customers so I have to smile and be pleasant. But it just isn't fair to the kids.

I'm a good cook but I'm no magician. Why can't a man understand that extra people means extra food and extra preparation? If Elmer would give me just two hours' notice I could rattle around and manage somehow. Please tell me what to do.

— OUTA MY MIND

Dear Outa: Show Elmer this column and let him know that from now on things are going to be different. If he is unwilling to pick up the phone and give you notice he'll have to settle for whatever there is on hand—and it may mean baloney sandwiches for him and the guests. Be pleasant while serving the sandwiches and make no apologies. One time will be enough to persuade Elmer that you mean business. I'll bet you'll get your two hours' notice after that.

Dear Ann Landers: My husband and I were invited to dinner at the home of friends. I was unable to get an appointment at the beauty parlor so I wore a tight-fitting silk turban which I had made out of the left-

Emmy Awards

Shunned In CBS

NEW YORK (AP)—The CBS television network today announced its withdrawal from participation in the industry's Emmy awards because of "misgivings about nominating and voting procedures."

The action, announced in a statement by the network president, James T. Aubrey Jr., followed a similar decision on Tuesday by Fred W. Friendly, president of the network's news division. Friendly's decision applied only to his news staff.

Aubrey's statement noted that

"our action is binding only on employees of the CBS television network and obviously can not preclude the participation of those in outside organizations whose programs are broadcast over our network."

That means, in essence, that stars of shows produced by outside companies are still free to take part in the May 25 Emmy awards special program produced by NBC. Most performers in entertainment shows are in this category.

A similar announcement was made two days ago by the ABC television network president, Thomas W. Moore.

Hilda Penoyar Bride Of Conrad J. Bruce

St. Roch Catholic Church in Caseville, Mich., was the setting for the wedding of Hilda Ruth Penoyar and Conrad Joseph Bruce.

The Rev. Fr. Stanley Kilar performed the double ring ceremony May 9 at 11 a. m. for the daughter of Mr. and Mrs. Addison K. Penoyar of Montgomery and the son of Mrs. Lillian Bruce of Arnold. All white gladioli formed the altar bouquets. Music of the Nuptial Mass was sung by the church choir.

The bride was given in marriage by her father. Her floor length sheath had a scoop neckline, outlined in Alencon lace with pearl trim, long wrist-pointed sleeves and a

bell shaped skirt with appliques of lace and pearl trim at the hemline. The cathedral train of the gown was detachable. A matching pearl and stephanotis forehead headpiece held her bouffant veil. She carried lilies of the valley.

Pink Linen

Honor maid, Anita Bruce, sister of the bridegroom, wore a dress of pink silk linen with fitted bodice, round neckline, elbow sleeves, shirred waistline and controlled semi-sheath skirt, complemented by a bow of self material at the back waistline and hemline length wattle panel. In identical gowns were the bridesmaids, Mrs. James Stahl and Mildred Penoyar. They carried sprays of pink camellias and lily of the valley.

Gerald Bruce was his brother's best man. Ushers were James Stahl and Ralph Steinman.

A wedding breakfast was served at the Bella Vista, followed by a reception for 150 guests in St. Roch Hall. Mrs. Penoyar received guests in a suit dress of beige with mint green accessories and Mrs. Bruce wore a medium blue suit with white accessories. Their corsages were pink roses.

Home in Caseville

The newlveds are at home in Caseville after a honeymoon tour of Michigan. For going away the bride wore a suit of antique white lace with black accessories.

The new Mrs. Bruce, a teacher in Caseville system, took her degree work at Hillsdale College with majors in Political Science and Spanish. Mr. Bruce, also a teacher at Caseville, was graduated from Northern Michigan University with a major in Industrial Arts Education.

Guests at the wedding were from Detroit, Ann Arbor, Hillsdale, Flint, Escanaba, Saginaw, Orionville, Charlotte and Lansing.

Mrs. Elegreet Directs Choir At St. Charles

RAPID RIVER—St. Charles Borromeo Church Choir is organized with Mrs. Richard Elegreet, serving as choir director and organist. The choir meets every Wednesday at 7:30 p. m. at the church.

The group is divided into two sections, one section singing for 8 a. m. Mass and the other for 10 a. m. Mass. On special occasions the groups combine and sing for all Masses.

Members of the choir are Mrs. Lawrence Viaw, Mrs. Ed Lamberg, Miss Rose Ellen Lamberg, Mrs. John Bellville, Miss Laurel Viaw, Mrs. Walter Mosier, and Miss Cynthia Viaw. Mrs. Elegreet announces that the choir is seeking new members. Any member of St. Charles parish wishing to join the choir is asked to contact her.

St. Charles Circles

St. Charles Women's Circles and Altar Society met at the parish hall Tuesday evening for their monthly session. Plans were outlined for the group's May rummage sale. Bake sale plans were discussed for the summer months. The Women's Circle and Altar Society will continue meeting during the summer.

Mrs. Michael Majestic and Mrs. Donald LaCrosse served an attractive lunch.

Crusade Success At Stonington

STONINGTON—Mrs. Iver Granskog, cancer crusade chairman for Bay de Noc Township, reports a successful campaign. Bay de Noc Township's contributions amounted to \$68.25 this year, surpassing last year's total by \$1.25. The township gave wholehearted support to the crusade.

THIS MESSAGE IS IMPORTANT

If you have a new Television Set planned for the near future—the time to buy it is now. Here are two big reasons why:

After April 30th manufacturers by government edict are no longer able to manufacture or sell VHF-only televisions. This is the kind used in our area, and normally would continue to be used in our area. Instead Television Manufacturers after April 30th are required to produce ALL sets of the combined VHF-UHF type which in the past has cost, and probably will continue to cost, approximately 10% more.

While the reasons for doing this nationally are excellent, the fact remains that we in the Escanaba area will get nothing back for this added expense. The likelihood of our having a UHF station is extremely remote as Upper Michigan is entirely unsuited for this type of station.

Here is the second reason. Since the manufacturers must dispose of their VHF-only sets Lasnoski Appliance has been able to pick up excellent specials from General Electric. There are real savings involved here, and they are all being passed on to you. See for yourself. We have sets in all finishes and sizes, at especially attractive prices for the reasons outlined above. Terms to suit your convenience.

Pastor Olson And Delegates To Convention

RAPID RIVER — Pastor George Olson of Calvary Lutheran Church, Rapid River, Mrs. Hugo Schoenberg, lay delegate, and Mrs. Richard Olson, lay delegate of Trinity Lutheran Church, Stonington, will attend the second annual convention of the Wisconsin-Superior Synod of the Lutheran Church in America at Green Lake, Wis., May 18-21.

The sessions will be held on the American Baptist Assembly grounds and will open with a Holy Communion service Monday evening.

Business session will be held each day with reports from the various committees and boards and a report from the president of Synod, Dr. Theodore Mattson. A banquet, with Pastor Steward W. Herman, president of the Lutheran School of Theology, Chicago, as speaker will be held on Tuesday evening. Representing the Lutheran Church in America will be Dr. Martin E. Carlson, assistant to Dr. Franklin Clark Fry, president.

Mrs. Kleindeinst Honor Guest At Birthday Dinner

The 75th birthday anniversary of Mrs. Amos Kleindeinst of Gladstone was celebrated Sunday at a party at the home of her daughter, Mrs. Lavern Juhl, 3101 14th Ave. S., Escanaba.

A buffet dinner was served, with the table centerpiece a beautiful three-tiered cake, made by the honor guest's daughter-in-law, Mrs. Kenneth Spaulding of Gladstone. Dinner was followed by an evening of cards. Mrs. Kleindeinst was presented with many attractive gifts.

Out-of-town guests were Mr. and Mrs. Louis Farley, Leo, Henry and Antoine Farley and Miss Albertine Godbout, all of Garden and Mr. and Mrs. William Gentz and Mason Rhodes of Manistique.

Pine Ridge PTA Closing Meeting Last Evening

Joanne Priester, vice president, presided at last evening's meeting of Pine Ridge Parent Teacher Association, held at the school.

Mrs. Leo Niquette, PTA Council president, reported on the Michigan Congress convention in Lansing and installed the officers for the new school year. They are: Mrs. June Ahlin, president; Mrs. Grace Quaghebeur, vice president; Mrs. Joanne Gucky, secretary; Mrs. Marge Wining, treasurer.

Guest speakers were Mrs. Donald Gouland and Dr. Donald Fitch, who gave an informative program on cancer. They showed a film, "The Million Club," and conducted a question and answer period.

Economics Club Active Group In Stonington

STONINGTON—Mrs. Sheldon Cobb serves as chairman of the Stonington Home Economics Club. Mrs. Loyal Sigfrids is vice chairman of the organization and also keeps the club's records. The Stonington Club meets every month at the members' homes.

This month's meeting was held at the home of Mrs. Iver Granskog. Mrs. Cobb interested the members in the electrical appliance lesson. Mrs. Granskog and Mrs. Carl Carlson, hostesses for the evening, served refreshments.

The club will continue meeting during the summer months.

Mrs. William C. Carlson (Gordon Nelson Photo)

Bonnie L. Nicholson, William Carlson Wed

In the first wedding ceremony to be performed in the new Immanuel Lutheran Church, Bonnie Lou Nicholson, daughter of Mr. and Mrs. Elmer Nicholson, 2621 S. 22nd St., Escanaba, became the bride of William D. Carlson, son of Mrs. Ivan Carlson, 529 S. 16th St.

The Rev. Gordon Thorpe solemnized the 3:30 p. m. double ring service Saturday, May 9, before an altar adorned with white gladioli in tall standard vases. Soloists were Robert Schrader and Margaret Elman.

The buffet supper reception was held from 4:30 to 7:30 p. m. in the church parlors.

The bride was attended by her roommate, Judi Rauner of Minneapolis, as honor maid. Bridesmaids were Mrs. Alexander (Kathy) Hamilton, Escanaba, and Margaret Elman of L'Anse, a classmate of the bride. John Carlson of Ashland served as best man for his brother. Groomsmen were Robert Carlson and David Goymerac and ushering were Dennis Carlson and Herbert Nicholson.

Bridal Gowns

The bride's gown was of ivory silk linen, with empire waist and A-line skirt with detachable chapel length train. The skirt was trimmed with a bow at the back waistline. Detailing the bodice, which was accented with pearls, were a scoop neckline and elbow length sleeves. Her ballerina length bouffant veil was caught to a crown of ivory lace and silk with linen petals, pearl trimmed, extending over the forehead. She wore a single pearl necklace, gift of the bridegroom, and she carried a cascade of champagne carnations with beige cymbidium orchid center and trailing foliage.

Gowns of pale dull gold shantastic, floor length, were worn by her aides. The dresses were styled with scoop necklines, floor length controlled bell skirts, with floating back panels, scoop necklines and elbow length sleeves. Their headpieces were crowns with petals of matching material and bouffant veiling. They carried single blossom Duchess carnations bouquets surrounded by large leaves.

Mothers' Ensembles

Mrs. Nicholson attended her daughter's wedding and re-

ceived guests in a beige brocade sheath with beige and tan accessories. Mrs. Carlson wore a pale blue linen sheath with overskirt, and matching accessories. Their corsages were cymbidium orchids.

Assisting during the reception were Mrs. Leonard Larson and Carole Kasper, Chicago, who presided at the silver coffee services, Joyce Eugate and Mrs. John Carlson of Ashland, who served punch. Susan Nicholson and Cynthia Carlson, in charge of gifts, Mrs. Lanny Johnston, assisted by Linda Wylie, serving the wedding cake, and Mrs. Herbert Nicholson, who had the guest book.

The bride's table was centered with an arrangement of stock and the buffet table centerpiece was beige carnations.

The couple will reside in Escanaba after a honeymoon tour of Wisconsin, Minnesota and Iowa. The bride is a senior at Lutheran Deaconess School of Nursing, Minneapolis. Mr. Carlson attended Northland College at Ashland.

The rehearsal dinner was given by the bridegroom's mother at the House of Ludington.

School Bands In Band-O-Rama

The Gladstone High School bands will present a Band-O-Rama on May 18, at 8 o'clock at the high school gym. The Beginning Band of 35 members will start the program promptly at 8:00. This band is composed of students who entered the instrumental program this year and includes fifth graders to ninth graders. The second part of the program will be presented by the 65 members of the Reserve Band. These musicians are mostly from the 6th, 7th and 8th grades. This band was called upon to play when the Ludington band was unable to make their planned appearance in Gladstone last month and presented a wonderful program. The Senior Band will round out the program. The 55 members of this group made a bus trip to Ludington the first weekend in May and presented a fine program.

Clinic Delayed

The immunization clinic for the Gladstone Central Public School was held Thursday. It was originally scheduled for Tuesday, but was cancelled when the school nurse could not be present to assist Dr. Mary Cretens.

When Holy Name's Steve Wood defeated Tom Barley of Menominee in a singles match in tennis, it marked the first time this season the Maroon ace had been beaten. Barley had chalked up four straight previous net triumphs.

Terry Woods took the singles championship with a 647 series in the annual Daggett Bowling Association tournament. Ty Simon and Roger Freis rolled 1245 to top the doubles list, Blatz took the team title with 2946 and Ray Beamish the all events crown with 1837.

Escanaba will be the site of a high school football rules meeting on Aug. 28 this fall. It is one of six meetings scheduled by the MHSAA in the Upper Peninsula. The other meetings will be held at Marquette, Houghton, Bessemer, Iron River and Rudyard.

Roland Pakonen of Ironwood has been named the winner of the Michigan-Wisconsin Conference's John H. Kraemer Memorial Award for the 1963-64 basketball season. The 6-1 senior edged out Dick DeZur of Hurley in a runoff election after they had finished in a tie in the regular voting. A three-year cage veteran, Pakonen has also earned varsity letters in football and baseball.

Jim Edberg, Felch pitching ace, scattered six hits and fanned eight as the Foresters retained their top spot in the Big Eight Conference race by edging Pembine 4-2. Alpha whipped Carney 14-5 with Ron Lepisto tossing a five-hitter for the mound decision.

Some top names in professional sports were guests of the eighth annual Sports Celebrities Dinner held in Soo, Ont., this week. Among the speakers were Bob Feller, former Cleveland pitching great; Bobby Hull, second leading scorer in the National Hockey League this season and Red Jones, former major league baseball umpire. Terry McDermott, America's Olympic speed skating champion, was on the program.

Kingsford's Paul Monette pitched a one-hitter as the Flippers whipped Niagara 7-1 to retain their top spot in the Menominee Range Conference baseball standings. The lone hit off Monette, who fanned 11, was a single by Craig Bartolac.

Pickford tuned up for the Eastern Upper Peninsula Conference track meet by edging Soo for first place in a meet involving Rudyard and Brimley this week. The Panthers scored 62 points, Soo 61. Roger Hewer was a triple winner for Pickford in the high and low hurdles and the shot put. His low hurdle time of 21.3 was well under the U.P. Class D record of 21.8. Pickford's mile relay team was clocked in 3:40.7, three and one-tenth seconds under the U.P. record. Bob Huyck of Pickford, U.P. class D quarter mile champion, stepped the 440 dash in 52.5, well under his record of 53.7 which he set at Marquette last spring.

Verdie Cox of Michigan Tech, speaker at the Eskymo Fan Club's all sports recognition banquet Monday night, coaches tennis as well as basketball at the Houghton college. His net teams have won 79 matches, lost 19 and tied two, have had four perfect seasons and only one losing campaign since 1949.

Henry Tripp of the Manistique American Legion Post is searching for managers for the Manistique baseball team in the Waubung League this season. Any adult interested in helping out the program is urged to contact Tripp at the earliest possible date. The Waubung League will reorganize for the season at a meeting in Escanaba next week and the season will get under way early in June.

Willie's Hitting Streak Is Halted By Bob Bruce

By The Associated Press

Say Hey, look what Bob Bruce did!

Bruce held Willie Mays hitless for the first time in 21 games, setting the San Francisco slugger down four times Thursday night and slicing Mays' average 19 points to 49 as the Houston Colts defeated the National

League-leading Giants 4-3.

It was the first time Mays had been held hitless since April 16, when he was stopped by St. Louis' Curt Simmons in the third game of the season.

While Mays was having his first difficult night in almost a month, the Los Angeles Dodgers swept a doubleheader from the Chicago Cubs 6-4 in 10 innings and 5-0, but ace left-hander Sandy Koufax again failed to turn in a strong performance.

Koufax was unable to finish for the third straight game and was clipped for four runs in four innings of the opener. Don Drysdale, however, turned in a brilliant effort in the nightcap for the Dodgers, winning his fifth straight complete game with a four-hitter for a 5-1 record.

Elsewhere, Richie Allen homered in the seventh inning for Philadelphia's 3-2 victory over St. Louis and the New York Mets drubbed Milwaukee 12-4. Cincinnati and Pittsburgh were not scheduled.

In the American League, Minnesota clobbered the Chicago White Sox 15-7, Detroit belted

the New York Yankees 7-3 and Baltimore defeated Washington 4-1.

Bruce, who brought his record to 4-1 with ninth-inning relief help from Hal Woodeshick, was tagged for a two-run triple in the sixth inning by Tom Haller and went into the seventh trailing 3-2.

The Colts tied it when Bob Shaw was touched for singles by Eddie Kasko and Nellie Fox before forcing in a run by walking Al Spangler and Walt Bond. When Shaw walked John Bateman in the eighth, Billy Pierce came on, but it was too late. Singles by Kasko and Spangler got the winning run home.

The Cubs bolted to a 4-0 lead against the Dodgers in the first game, three runs scoring on Ron Santo's homer. The Dodgers caught up in the eighth on Jim Gilliam's homer and won it in the 10th when Tommy Davis singled and Frank Howard hit his 11th homer.

In the nightcap, the Dodgers provided Drysdale with a 3-0 lead in the first two innings, cashing in on four stolen bases

and five walks by Fred Norman. Davis stole three bases.

Ernie Broglio was pitching a two-hit shutout for the Cardinals when the Phillies tied the score in the sixth with two runs. Singles by Tony Taylor and Allen plus two grounders get one run across before John Hestnain singled in another. Allen's homer then won it for Jim Bunning, now 4-1 with the aid of Ed Roebuck's relief help.

The Mets stroked 15 hits against Braves' starter Warren Spahn and three successors. Dick Smith slammed three key doubles for New York while Ron Hunt also chipped in with three hits. Spahn, now 2-3, left in the fifth inning after Joe Christopher tagged a homer. The score was the Mets' highest of the season.

Final Weekend Produces Two New Leaders

IRON RIVER — The final pin assault at Pladium Lanes produced three changes in the unofficial final standings of the 54th Upper Peninsula Men's Bowling Tournament.

Two of the final changes were first places. In the regular doubles, Phil Skibo and C. Isaacson, of Crystal Falls, replaced Charlie Polich and Duvillio Spigarelli as the front runners with a 1291 score, a 10-pin margin over the former leaders.

In the minor singles, Francis Toti, of Iron River, grabbed the number one position with a 635, besting the 615 fired by Gastra's Paul Stanchina.

Ron Tomassoni, of Iron Mountain, made the final change in the standings when he rolled a 1749 to take over the second place spot in the minor all events.

Iron River area keggers grabbed three of the eight first places and placed in every division. Also, Iron River's Al Rizzardi spilled the high game of the tournament, a 289.

Following are the unofficial final standings:

Beliveau Wins Most Valuable

MONTREAL (AP)—Big Jean Beliveau may well be the Montreal Canadiens' best center since the great Howie Morenz. He definitely is the most honored.

Beliveau won the Hart Trophy the National Hockey League's Most Valuable Player emblem, for the second time Thursday. He is the only Canadian player except Morenz to win the trophy twice, although eight others have been named MVP since the original trophy was donated in 1923.

Morenz won in 1928, 1930 and 1931. Beliveau's first time as 1956, early in his big league career.

Beliveau received 102 of a possible 180 points in the voting by sports writers and broadcasters.

Runner-up in the Hart Trophy was Bobby Hull of Chicago with 58 points while Detroit's Gordie Howe, who has taken the trophy six times, was third with 50.

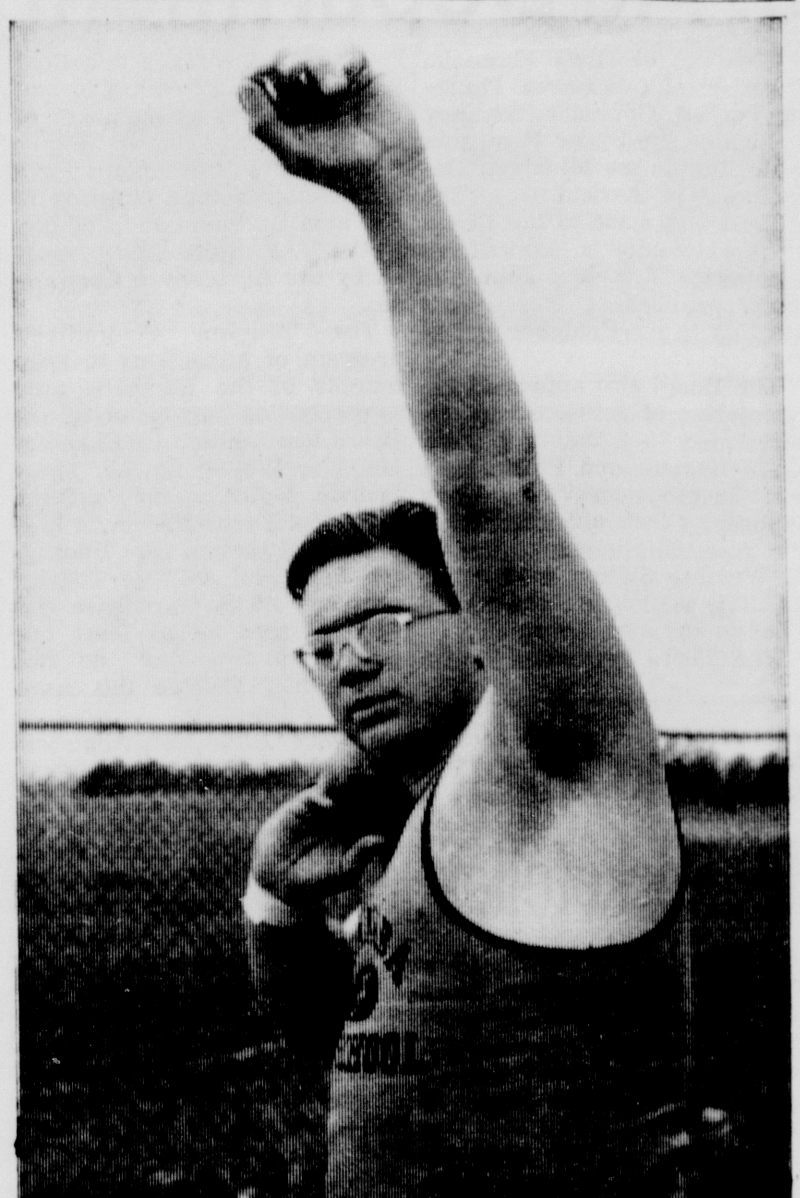

Coach Needed For Gladstone Baseball Team

GLADSTONE—The Gladstone baseball team, a member of the Waubung League, needs an adult manager to replace Don Howes who will not be able to resume the position this season.

The team was re-activated last season under Howes to compete in the American Legion - sponsored Waubung League.

Other teams in the league last year were Escanaba, Manistique, Powers and Menominee. The league organization meeting will be held Tuesday, May 19, at 7 p. m. at the home of Al Ness, coach of the Escanaba team.

Howes will be unable to serve as manager of the Gladstone team this season because he will be attending college summer school.

BILL (SARGE) Sarnowski will be one of the high school athletes in action in the regional track and field meet at the Escanaba Athletic Field Saturday. The meet will draw over 200 athletes from 15 schools in Class A-B and Class D. Qualifiers will be eligible to advance to the Upper Peninsula finals at Marquette May 23. The meet will begin at 10 a.m. and will resume after lunch at 1:30 p.m. Sarnowski, a junior, is the all-time Escanaba High School shot put champion with a toss of 49 feet 11 inches this spring. (Daily Press Photo)

What Is This Hockey Thing?

(First in a series of articles about the U.P. Hockey Club and its efforts to field a team in the United States Hockey League, as told to Mining Journal Sports Editor Allan Coles by J. Allen Russell, a director of the club.)

If the Upper Peninsula Hockey Club is successful in meeting the provisions of its franchise from the United States Hockey League by selling 800 season tickets before the June 1st deadline set by the league, the team entered by the club this year in the league will find itself in competition with squads which for the most part have similar backgrounds.

One of the more unique aspects of the U.S.H.L. is the fact that, with the exception of the Green Bay Bobcats, all the teams are community-owned. They are administered by a group of volunteers who joined together to form a non-profit corporation, exactly as is planned by the U.P. Hockey Club, for the sole purpose of providing hockey fans in their respective area with interesting, high-caliber hockey.

The Green Bay team is actually owned by 10 men, who have financed the team since its organization five years ago, but their purpose is the same — to provide good hockey for the Green Bay area.

The U.P. Hockey Club is organized along the same lines, and for the same reasons as those that motivated the other U.S.H.L. teams into organizing and entering league competition. The U.P. club faces some definite disadvantages, however, chief among them being the small capacity of the Palestra in Marquette and the lack of a heating system.

The Palestra has served U.P. hockey well for almost 40 years, and at one time was the regional center for high-caliber hockey. The fire of 1954 cut the seating capacity of the arena considerably, and the years have taken their toll as well, resulting in an aged, unattractive building with little to offer in itself in terms of comfort for the fans.

Most arenas in existence today have heating systems, and fans all over the country sit in their shirtsleeves every winter to watch hockey. But, although the Palestra has no heating system, and fans will have to take the cold in stride, the lack of heat is expected to create an actual advantage over the home arenas of the other teams in the league.

Heating systems rob the ice of some of its hardness, thus slowing the "world's fastest sport" down to a degree. League officials have already acknowledged that without heat, Marquette's Palestra should speed the game considerably, providing probably the fastest skating conditions anywhere on the circuit.

It may be, however, that success this year would spur the powers that be to eventually remodel and re-equip the Palestra, including the installation of a heating system. This would please the fans to an extent, but it should be borne in mind that many players who have seen action over the years on the Palestra ice have expressed a desire to return, having felt exhilarated by the cold climate and fast ice.

So, until the Palestra is provided someday with heat, local fans will have to console themselves with the fact that they're seeing the fastest action in the league. And that should not be hard to do.

Five Run Frame Leads Tigers To Win Over Yanks

DETROIT (AP) — Speed on the basepaths, particularly from home to first, and a generous New York pitching staff were two contributing factors in the Detroit Tigers' 7-3 victory over the Yankees Thursday.

Dick McAuliffe beat out a slow bouncer in the seventh inning to continue a rally which netted the Tigers five runs. McAuliffe got credit for two runs batted in when Don Wert scored and Gates Brown raced in from second on the play.

It marked the second time in the contest that a Tiger cashed in on a slow roller to that part of the infield. Norm Cash nipped Yankee starter Jim Bouton in a race to first in the first inning for his first of three hits.

Detroit picked up 13 hits in the contest for its best hitting effort at home this season.

But the Tigers failed to take advantage of their early hits and left 10 men stranded as Bouton continued to work out of the tight spots.

In fact, the seventh inning started out to be the easiest of the game for Bouton as he retired the first two batters.

He quickly lost his touch, however, and left the mound after

giving up a pair of walks and Don Wert's game-tying single to left.

Brown walked to load the bases and relief pitcher Steve Hamilton wild pitched his first toss to McAuliffe to score Willie Horton. Then came McAuliffe's scratch hit, an error by Joe Pepitone and a pinch-single by George Thomas.

A triple by McAuliffe and another by Billy Bruton gave the Tigers their first two runs. Phil Regan, who hadn't won a game since opening day, got credit for his second victory in five decisions with some great relief work by Mickey Lolich.

Lolich, working with little more than a day's rest, fanned three batters in the last two innings and disposed of the last three men he faced after consecutive singles by Hector Lopez and Phil Linz.

"This is like winning two games," manager Charlie Dressen said, "because they're one of the front-runners."

The Detroit manager said that using Lolich will force him to change his pitching rotation a bit for the weekend series with Cleveland.

Dave Wickersham is scheduled to start tonight and Hank Aguirre and Ed Rakow Sunday.

But the pitcher Saturday is still a question.

Don Demeter hit a foul ball off his foot and left the game in the seventh inning. Dressen said that he had intended to rest Demeter anyway because he was not hitting well.

Team physician Dr. Russell Wright said he expected Al Kaline would be able to play Saturday if needed. Kaline's injured toe is healing faster than at first hoped, Dr. Wright said.

Visiting Mayor, Wife To Have Busy Day Here

There is a busy Monday ahead in Escanaba for Mayor James Edgar and Mrs. Edgar of Grand Ledge when they come here for Mayor's Exchange of Michigan Week.

A program of particular interest for Mrs. Edgar, the former Mary Braamse, daughter of the Byron Braamse and a 1951 honor graduate of Escanaba High School, has been arranged by the host city.

Going to Grand Ledge from Escanaba for the day will be Mayor and Mrs. George Rusch, Councilman and Mrs. Glen Moreau, and City Clerk Don

Stephenson Girl, 7, Strangled By Swing Rope

STEPHENSON — A 7-year old Stephenson area girl died of strangulation Wednesday night when she became entangled in a rope on a swing set in the back yard of her home.

The victim was Angela Rae Kline, daughter of Mr. and Mrs. Edward Kline.

Mrs. Kline told state police that the rope was looped around her daughter's neck when she found her. Efforts to revive the child by mouth to mouth resuscitation failed.

Chips And Splinters

Contributions To Chips Welcomed

Everett Dahlvik is a timber cruiser for the Sawyer Stoll Timber Co. He's been at this work for years and knows its joys and discomforts. It might be thought that with such conditioning he would take it all in his stride, but he can still work up quite a little repugnance for the lowly wood tick.

"Are they back?" he was asked this week.

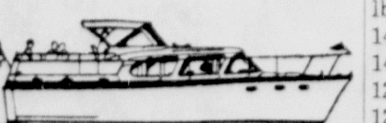

"I picked some off of me driving down from Cornell this evening," he said. "I think maybe they're specially healthy this year. I incinerated two of them with my lighter and it was a question for awhile whether the execution would work."

Bob Schmeling, woodlands manager for Mead Corp., also attests that Tick Time is back.

The tick is the bane of the May popple cutter. No one can be found who will say a good word for the insect, which is not mentioned in early accounts of Upper Peninsula woods life and which some foes insist was brought in by the sheep imported into the U. P. early in this century when ranching was being promoted as a successor to lumbering.

Tax Allocation Action Monday

The Delta County Tax Allocation Board will make a tentative allocation of the 15 mill property tax rate among the units of local government at a meeting at 7 p. m. Monday in the Delta County Building.

The board completed conferences with the units of county government Thursday evening and on Monday will make a tentative allocation of the tax rate among them. Last year the county got 6.9 mills of the 15 and school districts got millage range from 7 to 8 mills.

As always the total requests of the local governments total about 30 mills, with 15 mills to be allocated among them.

The Delta County state equalized tax valuation for 1964 as announced on Monday by the Michigan State Tax Commission is \$78,129,100, which is substantially the same as the county equalized valuation and about \$120,000 more than the 1963 valuation.

Members of the Tax Allocation board are County Treasurer Ann Villeneuve, Supervisor Harold Gustafson and County School Superintendent Hagle Quarnstrom by statute, and Arol Beck of the Escanaba Area School District Board, Escanaba Mayor George Rusch and Citizen Victor Groos by appointment.

Ask U.P. Fair In Ag Department

Directors of the Escanaba Chamber of Commerce Thursday asked Governor Romney to include the Upper Peninsula State Fair in the Michigan Department of Agriculture. The request was made to the Board by the Chamber's Agriculture Committee. President John Anthony presided at yesterday's meeting in the Chamber building.

The Board also approved the circulation of petitions to be forwarded to Senators Patrick V. McNamara and Philip Hart and Congressman Victor Knox requesting their aid in securing the re-establishment of the U. S. Weather Station in Escanaba. The station is considered vital to the area's economy.

The Board welcomed John F. Pearson Insurance and Real Estate, Richie Electric Co. and Phil and Lee's as members of the Chamber.

The Board heard plans for a businessmen's tour of farms in the area and an all-farm day at the U. P. State Fair proposed by the Agriculture Committee.

The Tourism Committee's program of attractions to keep tourists in the Escanaba area is proceeding satisfactorily, the Board was advised by Chamber Manager Walter Lewke. These include a fishing crib off the Escanaba Yacht Harbor, a kiddieland attraction for Ludington Park and a Little Theater program. The committee has been assured of at least one production by Bay de Noc Community College this summer.

Lewke said Escanaba will have a busy convention year, hosting Group I of the Michigan Bankers Association, the Upper Peninsula Lions Clubs, the Jehovah Witnesses, the Michigan Petroleum Association, the Michigan State Circle Columbia Squires, the Logging Congress of the Timber Producers Association, the Tri-State Conference of United Paper Makers and Paper Workers, and Pulp and Sulphite and Paper Mill Workers and the Michigan Society of Planning Officials.

Lewke reported on arrangements for the May K. I. Sawyer Day on Saturday, May 23, on the Escanaba Days promotion of the Retail Division for June 25, 26 and 27, with an Ore Centennial theme, and on progress made by the Clean Up, Paint Up, Fix Up Committee headed by Board Member Ray McDonough.

Briefing Given To Rockefeller

WASHINGTON (AP) — The Johnson administration turns out its top-level officials today to give Gov. Nelson A. Rockefeller an insider's look at U.S. security problems and world affairs.

The New Yorker thus becomes the first of the contenders for the Republican presidential nomination to take up President Johnson on his offer of intelligence briefings.

Rockefeller, fresh from his campaign for votes in today's Oregon preferential primary, is to be briefed at the State Department by Secretary of State Dean Rusk, Undersecretary of State George W. Ball, Secretary of Defense Robert S. McNamara and John A. McCone, Central Intelligence Agency director.

Johnson made the briefing offer to "major candidates for the office of president" in a New York speech April 20. He said he did so because "those who seek to discuss great public issues must be informed of those issues."

Rockefeller accepted with the provision that it would not hamper his criticism of administration policies.

Astronaut Will Live 8 Days On Ocean Bottom

PANAMA CITY, Fla. (AP)—Astronaut M. Scott Carpenter Thursday toured the 40-foot long capsule he will call home for eight days beneath the sea.

Sealab 1, a 62,000-pound capsule under construction at the U.S. Navy Mine Defense Laboratory, will be submerged near Bermuda in July. Carpenter and four other Navy men will enter the capsule on the 13th day of its 21-day stay 200 feet below the surface.

The Sealab project will test man's ability to live at the ocean bottom, eventually for as long as 30 days.

All Nahma kindergarten children may receive physical examinations and immunization shots at the Delta Menominee Health Department, Escanaba, any time during the month of June. The parents are requested to call or write Dr. Mary Cretens for appointments.

Canadian Logs Barged To City

A "trainload" of fine yellow birch veneer logs from Canada came to Escanaba Thursday by water.

The steel barge Charles W. Johnson of Sault Ste. Marie, Ont., in tow of a tug brought the cargo of logs to the Birds Eye Veneer Co. here. The logs were unloaded with a P&H crane onto the Reiss Coal Co. south dock in the harbor, from where they will be trucked to the Birds Eye mill.

The cargo, said Russell Lee, president of Birds Eye, is the equivalent of 20 railroad cars of logs. The purchase was made in Canada by Warren Lee, executive vice president of Birds Eye, and the logs were sealed in Canada last winter by Henry Pepin of Escanaba, of the Birds Eye staff.

Bankers Meet Here Tonight

Bankers of the Upper Peninsula come to Escanaba this evening for a smorgasbord that will be first item on their annual convention program at the House of Ludington.

The business session will be held Saturday morning, with Fred H. Hahne, chairman of Group 1 of the Michigan Bankers Association (Upper Peninsula) and president of the First National Bank of Manistique, as presiding officer.

The bankers will hear George Whyel, president of the Michigan Bankers Association; Frederick L. Deming, president of the Federal Reserve Bank of Minneapolis and Dr. Roy Steinheimer Jr., of the University of Michigan Law School on Saturday.

Herbert Corey, president of the Bank of Stephenson and past president of the MBA will speak on his recent visit to Russia at the banquet.

Class Night At Rock Has Large Attendance

ROCK — The Rock Senior class night exercises were very well attended Tuesday evening at the school.

The welcome was given by Betty Severson; the giftatory by Nancy Barron, Jane Vermote, Bethel Mankiewicz, and June Kivela; class history by Cecelia Kulack and Betty Severson; prophesy by the seniors; class will, Mary Saari and Cheryl Reimer; Bugs musical number by June Kivela, Ginny Vandenbusche, Mary Horgan and Sally Saari; song by the senior girls; presentation of the key by Betty Severson to junior class president, Mike Ruotsala; class statistics by Barbara Beauchamp, Lois McIntyre, Mary Johnson and Linda Kossov; song by the senior class.

The senior class sang a song especially for John Jackson. John returned home Saturday from Ann Arbor Hospital. He has been in hospitals since last August when he was hurt in a swimming accident. However, he has kept up with his studies and will graduate with his class.

The class motto is "Out of School Life, Into Life's School"; the class flower is the dahlia and the class colors are crystal and sapphire. There are 33 graduates.

In observance of exhibition night, parents visited all the exhibits in the various rooms. Work that the students had done during the year was on display. The shop work was on display in the gym.

Poverty Found On Land Owned By First Lady

WASHINGTON (AP) — Two Republican congressmen report "deplorable poverty" among tenants on Alabama farmland owned by Mrs. Lyndon B. Johnson. The rejoinder from an aide to the First Lady is that they are permitted to stay at their own request despite other plans for use of the property.

Rep. Dave Martin of Nebraska and M. G. Snyder of Kentucky, both opponents of the Johnson antipoverty bill, suggested the President ought to follow the Christian admonition "put your house in order" before preaching his antipoverty doctrine.

Elizabeth Carpenter, staff director for Mrs. Johnson, discussing the criticism with reporters, said Mrs. Johnson has been putting the property into timber for a better profit as it became vacant.

"What would they have Mrs. Johnson do—make them move off the land?" she asked.

Bottom Student Of 50 On Bed Nearly Crushed

LONDON (AP)—"Four tons of humanity were on top of me," said Frazer Cartwright, 16. "It nearly squashed the life out of me. I thought I was being killed. Never again, thank you."

Students at Wakefield Technical and Art College in Yorkshire decided Thursday night to try to break the world record of 42 students in one bed.

Frazer and four others volunteered to form the bottom layer. Forty-five more climbed on, to make a record 50.

As the last three students scrambled to the top of the writhing mass, Frazer yelled: "Get off! Quick! I'm—"

He didn't finish the sentence. Blood gushed from his nose and he fainted.

Other students shouted to those on top to jump. They jumped.

Frazer was unconscious and the other four on the bottom were woozy. Artificial respiration finally brought Frazer around.

More people get more news from newspapers than from all other sources combined.

MANISTIQUE Bill Mauldin, Cartoonist, Will Visit Manistique

Bill Mauldin of "Up Front" and Yank fame for World War II cartoons will visit Manistique Tuesday in connection with the community's observance of industrial appreciation day - Michigan Week.

Mauldin, who just received a coveted New Yorker award, has been with the Chicago Sun Times of Field Enterprises the past year and a half and will come with a group of Field officials who will be saluted for their \$2.5 million plant expansion and modernization program at the Manistique Pulp and Paper mill.

The Field party will include Russ Stewart, chairman of the Manistique Pulp and Paper mill board of directors, and vice president of the Chicago Sun-Times and Daily News, and Mrs. Stewart.

Also coming are Emmett Dedmon, editor of the Chicago Daily News and Mrs. Dedmon; John Cross, Field Enterprises treasurer and Mrs. Cross; Ed Farley, vice president of Field Enterprises; Mel Barker, manager of research and development for Field Enterprises and Mrs. Barker, L. V. Denniston, superintendent of Field properties, and Mrs. Denniston.

The delegations here for the Industrial Appreciation banquet, at the Elks Tuesday at 7 p. m., will include officials of Inland Steel Co., parent company of Inland Lime and Stone Co.

As of Thursday, it was uncertain which would be attending.

Also in the Field group will be Percy Fox, chairman of the board of the Great Lakes Paper Co., and Warrick Fox, president of that firm.

During the banquet, which has a 6 p. m., cocktail hour preceding it, awards will be presented by Marvin Frederickson, School Supt. Edwin Wuehle will be guest speaker.

Work Begins On New Boiler

The Manistique Pulp and Paper Co. has awarded general contract to Herman Gundlach Inc., of Houghton for a new power plant, part of a \$2.5 million plant expansion and modernization program announced earlier by officials of Marshall Field Enterprises, owners of the mill.

Excavations and footings are being completed for the boiler, which will be obtained from Wicks Boiler Works, Saginaw. The first section will arrive the end of June.

The ROP 2-drum unit will have 75,000 pounds per hour with design pressure 775 pounds.

All modern flyash, smoke and gas controls will be installed, said Frank S. Hoholik, president and general manager.

The boiler will be 19 1/2 by 20 feet and rise 64 feet 11 inches from base to top. It is expected to be placed in operation in November.

Mueller PTA Plans Barbecue For Bay Cliff Fund

Mueller Township PTA will sponsor a chicken barbecue, Saturday at Mueller School, Gulliver for benefit of Bay Cliff Health Camp Fund. Serving will be from 5 to 8 p. m.

In charge of arrangements are Paul Weaver, Kenneth Webber and Mrs. Henry Colegrove. Schoolcraft County's quota this year is \$2,000, the amount necessary to send eight children from the County.

Bay Cliff Health Camp, which provides therapy to handicapped children in the U.P., is financed through contributions from individuals and organizations.

Nesting Bird Holds Up \$400 Sale Of Trees

MOBILE, Ala. (AP)—A determined female cardinal bird is holding up sale of more than \$400 worth of young oak trees by a nursery.

The cardinal built a nest in one of the trees in a lath house, and Harold Dodd, the nurseryman, said Thursday the entire shipment of oaks couldn't be moved until the cardinal's eggs are hatched and the young birds learn to fly.

Boyd's Builds
New Drive-In

A drive-in restaurant with
Dad's Old-Fashioned Root Beer,
hot sandwiches as well as regu-
lar drive-in service and home-
made pies and cakes are among
attractive features of Dad's
Drive-In, Manistique's newest
drive-in restaurant.

Located on U. S. 2, it is near
the siphon bridge, an item
which Robert (Believe It Or
Not) Ripley once used in his
nationally syndicated service,
because the bridge floor is lower
than the water on either
side in the river flume.

Addie Boyd, born and raised
in Cooks, operates the res-
taurant. He bought the build-
ing, once a gasoline station in
1961 and, after renting it
awhile, built the drive-in res-
taurant. Response was excel-
lent and this year a car port
was built around the building
and new kitchen equipment,
including grill, fryer and steam
table was installed.

The remodeling also in-
cluded construction of a panelled
office for Scott's Business Ser-
vice, for which Boyd is U. P.
manager. Accounting and man-
agement counselling are pro-
vided by the service.

A staff of 11 is employed in
the drive-in restaurant. Mrs.
Edward (Dorothy) Cook is
head cook, and other cooks are
Tina Boyd, Sandra LaFave and
Ginger Rivard. Carhops are
Kris Downing, Molly Hoholik,
Susan Bosanic and Barbara
Bosanic. Waitresses are Patti
Boyd and Jacqueline Jensen.

Cooks Election
Hours Scheduled

The annual school election at
Cooks will be held from 1 to
8 p.m., June 8. Two trustees
are to be elected for a 4-year
term. Also on the ballot will be
a proposal to annex to Delta
County for county school su-
perintendent services.

Jaycees Plan
Lakeview Bee

The Manistique Jaycees will
hold a workbee at 6:30 p.m.
Monday, May 18 in Lakeview
Park, to prepare it for the sum-
mer season.

An attractive counter and
modernistic tables are used in
the restaurant. Both in and
out service is provided. The
restaurant is open 9 a.m. to 11
p.m., and plans call for a
year-round operation.

All food is freshly-cooked as
it is ordered by the customers.
This assures tasty food, though
service might be a trifle slow-
er. The best-grade of hamburger
is purchased. Neither meat
nor buns are frozen; they are
purchased fresh daily.

In addition to hamburgers
and hot dogs, pizza burgers,
fish-wishes, hot peach and
apple pies are served. Hot tur-
key, beef and hamburger
steaks and all sandwiches are
available too, as well as soups
and chili. Morning Glory and
Bancroft ice creams are served.

This year, orange drink was
added to the cold beverages
available.

NAHMA — Mrs. Henry Gouin has elected president of the Nahma P.T.A. for the coming year at last night's regular meeting. Other officers include: Mrs. Wale Hebert, vice president; Mrs. Clayton LeBrasseur, secretary; and Mrs. Wallace Bennette, treasurer. It was decided that the P.T.A. would assume half of the cost of sending a delegate to Boy's State this summer.

At cards, yearly prizes winners were Mrs. Henry Legault, \$100 and Albert Pilon, sheephead.

Mrs. Fred Olmsted, accompanied by her daughter, Mrs. Richard Marquardt, has returned to her home after spending

1. Card of Thanks

Juneau

Our heartfelt thanks
are extended to all our
friends, neighbors and re-
latives, who aided by
acts of kindness and sym-
pathy during the illness
and death of our beloved
daughter, William Juneau.
We are especially grateful
to Rev. Walter Franzeck,
the Ladies of St. Francis
Xavier Church, the pal-
bearers, those who sent
flowers, spiritual bou-
quets, cards of sympathy,
those who offered the use
of cars and drivers. Your
kindness will always be
remembered.

FIRST PRIZE

**A BEAUTIFUL NEW HOME
OF YOUR OWN**

... your choice from an exciting collection of model homes exhibited by contest builders. Colonial styles, split-level, ranch house—a full range of types and sizes for every family need.

You'll find dozens of new construction ideas to save you time and effort, add beauty and convenience. These include built-in features that really make for easy living and modern materials that brighten your home and stand up under years of hard wear.

Case in point: the Masonite hardboard sidings and interior panels you'll find in all these homes. Rugged Masonite hardboards won't split or check. They resist denting and abrasion. That means homes that stay attractive—inside and out—with practically no maintenance needed.

With features like these it's no wonder that living is better in a new home of your own. But see for yourself.

Visit your local contest builder's model home today.

SO EASY TO WIN!
